

# East St. Louis District 189

Arthur Culver, Superintendent

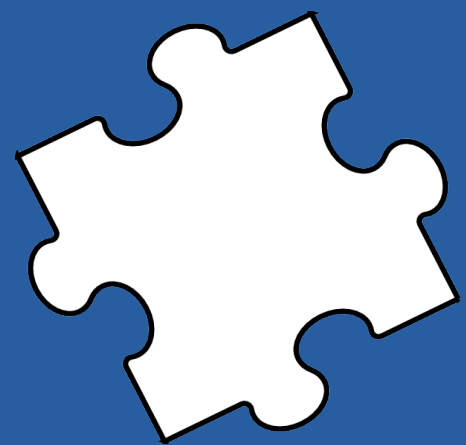

Devon Horton, Deputy Superintendent

Jennifer Brumback, Director of Research

## Goals

- Develop strong leaders throughout the district to improve the quality of leadership by providing systemic supports to improve the quality of learning

## Gaps and Root Causes

- Improve the quality of instruction and student achievement

## Accomplishments

- Leadership focused training
- Content Specialist visits to all campuses
- Greater feedback in performance-based management systems
- Increased collaboration for professional development

## Questions we are Pursuing

- Which practices are making the largest impact?
- Are we providing the right supports?
- How do we continue to build capacity of district administrators to support leaders?
- How do we continue to build the capacity building administration?

## Questions for Colleagues

- Which practices are making the largest impact?
- Are we providing the right supports?
- How do we continue to build capacity of district administrators to support leaders?
- How do we continue to build the capacity building administration?
